BIOGRAPHY

- Born in Hungary in 1988
- since 2016 in Vienna
- Physiotherapist since 2012,
- private practice in Vienna
- FDM IC since 2021
- since 2020 I have been supporting the EFDMA board on a voluntary basis

PERSONAL

I completed my Module 1 with Markus Nagel in Hungary. I was hooked from day 1 and still am. I think it's very important to show FDM to a lot of people so that it give their hope back - like it did for me as a therapist and a patient.

MOTIVATION FOR THE BOARD WORK

Let's motivate each other to stay in the model. Let's build up and nurture our FDM family!
