

BETTINA EIGENMANN

EFDMA VICE PRESIDENT &
DEPUTY SECRETARY

other areas of responsibility

- Education
- FDM Connect

BIOGRAPHY

- Born in 1976
- 3 teenage children
- live in Altnau on Lake Constance
- Physiotherapist since 2001, practice in Amriswil
- FDM IC since 2015
- since 2019 member of the EFDMA board

PERSONAL

Since I attended the first course held by Thorsten Fischer in Switzerland in 2011 and carried out a successful TB treatment the next day, I have been working exclusively with the FDM.

MOTIVATION FOR THE BOARD WORK

The enthusiasm with which I work according to the model has motivated me to support the EFDMA, which wants to spread the model and make it accessible to everyone.
