Russia.....)

### BIOGRAPHY

- born in 1978,
- live in Hanover, Germany
- Physiotherapist since 2007
- FDM IC since 2012, FDM instructor since 2016
- works in FDM & physiotherapy practice in Hanover

### PERSONAL

My first FDM course was with Georg Harrer M.D. in the AIM. I was very fascinated and convinced by the model and since then I have only worked with the FDM model.

### MOTIVATION FOR THE BOARD WORK

FDM has changed the way I see medicine and how I treat patients.

I want to be part of a team in which people volunteer for a good cause.
